

EVERYDAY LIFE BLESS

RICECLAY

RICECLAY
Healing Time Healing Food

A company that brings a special happiness to your everyday life
We create happiness every day.

RICECLAY CORP. has developed Riceclay, the first tteok dough, with its unique patented technology using domestic rice and natural ingredients. Riceclay is fun to cook and delicious to eat.

We are pioneering new high-value-added food markets for various applications such as education, décor, crafts, and culinary ingredients by developing easy-to-make food products and cooking kits with rice as the main ingredient that combine cooking and play.

We produce safe and reliable food products in our own manufacturing facilities, with production capacity to meet national and international certification standards and stringent quality control from development to production.

RICECLAY CORP. is committed to bringing happiness to your everyday life by continuously researching and developing rice products and promoting Korea's unique culture.

Thank you.

President & CEO **Min Je-won**

CERTIFICATES

RICECLAY CORP. has been certified for both quality and manufacturing process.

Ready to cook and eat

RICECLAY

Play with Rice kit provides both fun AND a snack

The Play with Rice kit allows you to make and enjoy rice snacks anywhere with rice dough without any preparation. All the necessary ingredients and tools are included in the kit, and you can easily make rice snacks by following the instructions or watching the QR code videos. The kits are grouped by product and season and linked to different curricula, so they can be used as teaching aids for any discipline, and can be used for group lessons and real-time, contactless education.

RICECLAY COOKING KIT

Play with Rice Kit

• Half Moon Tteok Kit

One of the most popular kits for Chuseok, known as 'no-steam songpyeon'

- A basic Play with Rice kit for making half-moon-shaped tteok, sweet bean paste wrapped in rice dough.

Half moon tteok in animal shape

Half moon tteok with flowers

Half moon tteok in fruit shape

Tteok of family faces

• Rice Macaroon Kit

A rice macaroon resembling the "ricecaroon," a macaroon with a thick filling

- This kit allows you to make delicious rice macaroons by sandwiching fluffy rice buns between rice dough.

Pink strawberry rice macaroons

Bunny rice macaroons

Halloween rice macaroons

Christmas rice macaroons

• Tteokpero • Choco Fondant Kit

A Play with Rice kit with chocolate

- This Pepero Day, show your love for your loved ones with Tteokpero instead of Pepero with this Play with Rice kit.

Chocolate fondant

Tteokpero

• Cookie Decorating Kit

A kit for decorating homemade cookies with rice dough

- This kit allows you to decorate and enjoy high quality homemade butter cookies in a variety of shapes.

Ghost cookies

Carnation cookies

Car • forklift cookies

Puppy • bear cookies

• Cake Kit

A beautiful cake decorating kit

- This kit allows you to create and place your own cake decorations on a cake sheet.

Carnation cake

Bunny cake

RICE PREMIX

Geudaero Seolgi premix

Weight: 200 g / 800 g

Make Seolgi in an instant by steaming the premix

Seolgi premix containing rice powder, which is transformed into Seolgitteok in a steamer without any additional step.

Made with trusted domestic rice and other quality ingredients, you can rest assured that it's free of added colors or preservatives.

Tip! Sift the Seolgi premix powder through a sieve after thawing for a softer texture.

FLAVOR · Eight different flavors

Baekseolgi *Vegan*

- A baekseolgi flavor that retains the essence of white rice and goes with anything

Blueberry *Vegan*

- A refreshing taste bursting with fresh blueberry flavor

Chocolate

- A sweet flavor that turns Seolgi into a dessert

Mugwort

- Domestic mugwort's aromatic flavor

Pumpkin *Vegan*

- A sweet, aromatic pumpkin flavor with a lovely yellowish hue

Strawberry

- Sweet and tart taste of freeze-dried strawberries

Black Sesame

- A perfect match with tteok! A light but a doubly nutty taste

Coffee

- A delicate coffee scent that envelops you in luxury

RICE CUPCAKE PREMIX KIT

Geudaero Cup-Seolgi Kit

Make a muffin-shaped cup-seolgi

This kit contains 4 muffin cups and a Geudaero Seolgi premix, with eight different flavors to choose from. Simply pour the Seolgi premix into muffin cups and steam in a steamer to make cup-seolgi.

Tip! You can also make different shapes of cup-seolgi by steaming in different molds.

Tip! Add your favorite ingredients to the premix and steam to make special flavored cup-seolgi with toppings.

Global Inter Certification (GIC), an international vegan certification organization

RICE DESSERT PREMIX KIT
Gandan Rice Dessert

Global Inter Certification (GIC), an international vegan certification organization
 GIC Vegan is a U.S.-based vegan certification organization that issues certificates based on strict standards, with a certification process that includes ingredients and even factory facility audits.

An affordable, light snack for the whole family, made with local rice glutinous rice flour
 A new rice dessert with a crispy exterior and chewy center, made in one easy step without the hassle of measuring

Simply pour the ingredients into the container provided and bake

Oven: 30 minutes at 180°C

Air fryer: 15 minutes at 160°C

Frying pan: low heat

RICE DESSERT

Gangjeong Kit

A special recipe for rice snacks

A nutritious alternative to fried snacks: Make nutritious, healthy mixed-grain snacks with local rice, brown rice, barley, and nuts.

Unheated

Good ingredients for

Nutritious Jocheong Gangjeong

No need to prepare the ingredients, just add them as is, mix well and let set. Domestic brown rice, barley, a variety of nuts, and the traditional sweetener Jocheong (rice syrup) add healthy sweetness and grain nutrition.

Unheated

The rich flavor of dark chocolate

Chocolate rice Gangjeong

Simply pour melted chocolate over the top of the mixed grain Gangjeong. Enjoy the savory and sweet rice Gangjeong topped with cookie chunks and covered in dark chocolate.

Various rice snack recipes

The traditional Nutritious Maple Gangjeong

All you need is a frying pan. Made using the old-fashioned boiling method, this traditional Gangjeong has a crisp texture, rich sweetness, and a hint of maple flavor.
